## Target Market for this Product:

The features of this Product have been assessed as meeting the likely objectives, financial situation and needs of consumers who require a secured loan of between \$50,000 and \$700,000, repayable over a term of 15 to 30 years to finance the acquisition of residential property for the purpose of it being their principal place of residence with:

1. The ability to borrow up to 95% (including LMI) of the value of the property
2. The flexibility of a variable rate
3. Principal and interest repayments
4. The option of an offset account
5. Access to redraw; and
6. The option of a loan access card.

Whilst there may be fluctuations to variable interest rates, we have assessed this Product as being consistent with the likely objectives, financial situation and needs of consumers in the target market because it allows them deposit funds into an offset account and/or make unlimited additional repayments to reduce interest payable. These funds remain accessible to the consumer.

## Outside of the Target Market for this Product:

Consumers outside the target market are consumers that:

1. Require a loan for investment purposes
2. Require a loan for refinance
3. Require a loan to finance the acquisition of property for construction purposes
4. Have material adverse credit; and
5. Are seeking to borrow through a self-managed superannuation fund.
