Land title Identity verification form

Instructions

The details in section A must exactly match your identification documents. Section C should contain the address of the property being transacted (e.g. address of the property being sold, transferred, etc). If you have changed your name from that on an identification document, you will also need to provide a change of name document. You must produce original and current identification documents in one of the following categories. Please check which documents are acceptable below.

A translation will be required for Passports, Drivers licences and Birth certificates if not in English. The translation is to be completed by a NAATI accredited translator (go to www.naati.com.au for details).

You should produce two category 1 documents, if these have been issued to you. If you cannot satisfy category 1 requirements then you must produce documents from the highest other category possible.
