Some RedZed APPLICATIONS

Additional documentation requirements

Please note some additional documentation requirements apply for some RedZed applications which are assessed on a case by case basis depending on relativity.

The following additional documentation may be required:

- An Applicant Impact Statement is required to be completed for all loans, including LeaseDoc and Commercial loans.
- This form is included on the website under RedZed and also under FORMS.
- The form is also available on Loanapp as a Print Form.

We recommend that you include the relevant information in your submission notes regarding any impact on the business (whether it is positive, neutral, minimal or has recovered to pre-Covid levels).

These changes will remain in place until further notice.
