Target Market for this Product:

The features of this Product have been assessed as meeting the likely objectives, financial situation and needs of consumers who require a secured loan of between \$50,000 and \$1,500,000, repayable over a term of 15 to 30 years to finance the construction of residential property for the purpose of it being their principal place of residence or for investment purposes (or refinance existing finance to access equity to renovate or extend):

1. The ability to borrow up to 90% of the value of the property
2. The flexibility of a variable rate or the security of a fixed rate in the first 2 years.
3. The option of principal and interest or interest only repayments
4. The option of an offset account
5. Access to redraw; and
6. The option of a loan access card.

Whilst there may be fluctuations to variable interest rates, we have assessed this Product as being consistent with the likely objectives, financial situation and needs of consumers in the target market because it allows them deposit funds into an offset account and/or make additional repayments to reduce interest payable.

Outside of the Target Market for this Product:

Consumers outside the target market are consumers that:

1. Require a loan to finance the acquisition of property for immediate access.
2. Are self-employed and cannot provide financials.
3. Have material adverse credit; and
4. Are seeking to borrow through a self-managed superannuation fund.
5. Are seeking to purchase or refinance an investment property without any structural changes required.
