Target Market for this Product:

The features of this Product have been assessed as meeting the likely objectives, financial situation and needs of consumers who require a secured loan of between \$100,000 and \$5,000,000, repayable over a term of 15 to 30 years to finance the acquisition of residential property for the purpose of it being their principal place of residence or for investment purposes (or refinance other finance that has been provided for such a purpose) with the ability to obtain an equity release or consolidate debt with:

1. The ability to borrow up to 80% of the value of the property
2. The flexibility of a variable rate
3. The option of principal and interest or interest only repayments
4. Access to redraw; and

Whilst there may be fluctuations to variable interest rates, we have assessed this Product as being consistent with the likely objectives, financial situation and needs of consumers in the target market because it allows them to make unlimited additional repayments to reduce interest payable.

Outside of the Target Market for this Product:

Consumers outside the target market are consumers that:

1. Require a loan to finance the acquisition of vacant land.
2. Are self-employed and can provide financials
3. Have material adverse credit; and
4. Are seeking to borrow through a self-managed superannuation fund.
5. Require a 100% Offset account.

Description of Product including Key Attributes
