This privacy notice and consent relates to an application (the application) you make to a Lender for a loan (your loan) or in which you offered to guarantee the applicant's loan obligations or your loan or a guarantee of the loan. It includes consents from you to disclose certain information to other organisations described below. Your loan may be consumer credit or commercial credit.

The Lender will submit the application to a credit provider to consider. If the credit provider approves the application, it may seek lender's mortgage insurance (LMI) cover from a lenders mortgage insurer or title insurance cover from a title insurer or both in relation to your loan.

In this privacy notice and consent, "credit eligibility information" means information an organisation described below obtained from a credit reporting body or that is based on information obtained from a credit reporting body.

PRIVACY NOTICE

This privacy notice tells you how certain organisations collect information about you, what they use the information for and who they share the information with. If any of those organisations collect information that can be used to identify you, it will take reasonable steps to notify you of that collection.

ORGANISATIONS THAT COLLECT INFORMATION ABOUT YOU

This privacy notice and consent covers the following organisations that may collect information about you relating to the application or your loan or a guarantee of the loan are listed in the Schedule. Each of those organisations is described below separately as "we" and "us". The LMI insurers and the title insurer are described together below as "insurers".

HOW INFORMATION IS COLLECTED FROM YOU

We will collect information about you from you directly whenever we can. Most information will be collected from the application and from the records we maintain about the products or services you receive from us. We may verify that information from sources referred to in the application or in this privacy notice and consent. Sometimes an LMI insurer may also collect further personal information about you during the course of the LMI cover provided to the credit provider for your loan. The terms of this notice and the LMI insurer's Privacy Policy will apply to the collection, use and disclosure of that information.

HOW INFORMATION IS COLLECTED FROM OTHER SOURCES

Sometimes we will collect information about you from other sources as the Privacy Act 1988 permits. We will do this only if it's reasonably necessary to do so, for example, where:

- we obtain information (including commercial credit information concerning your credit worthiness or history, consumer information and collection of overdue payments information) from a credit reporting body for any purpose described below;
- we obtain information about your loan or a guarantee of the loan from another organisation described above;
- we can't get hold of you and we rely on publicly available information to update your contact details;
- we check property, you offer as security, through public registers or our service providers; or
- we exchange information with your legal or financial advisers or other representatives.

HOW INFORMATION IS COLLECTED FROM OTHER SOURCES

There are laws that affect organisations that may require us to collect personal information about you. For example, we may require information about you to verify your identity under Australian Anti-Money Laundering law.

HOW YOUR INFORMATION MAY BE USED

The credit provider or the Lender may use information about you for purposes including:

- giving you information about loan products or related services;
- considering whether you are eligible for a loan or any related service you requested;
- processing the application and providing you with a loan or related service;
- administering your loan or any related service, for example, to answer requests or deal with complaints;
- identifying you;
- telling you about other products or services it or its related companies make available and that may be of interest to you, unless you tell them not to;
- allowing it to run its business efficiently and to perform administrative and operational tasks;
- preventing or investigating any fraud or crime or any suspected fraud or crime;
- as required by law, regulation or codes binding it; and
- any purpose to which you have consented.

You can let the credit provider or the Lender know at any time if you no longer wish to receive direct marketing offers from them. They will process your request as soon as practicable. Also, the credit provider or the Lender may use credit information about you to:

- enable an insurer to assess the risk of providing insurance to the credit provider or to address the credit provider's arrangements with the insurer;
- assess whether to accept a guarantor or the risk of a guarantor being unable to meet their obligations;
- consider hardship requests; and
- assess whether to securitise loans and to arrange securitising loans the lender makes.

The title insurer or its related entities may use information about you:

- to assess the risk of providing title insurance to the credit provider;
- for the subsequent administration or variation of the title insurance policy;
- for risk assessment, reporting, fraud prevention, enforcement and claim recovery activities;
- to discharge your existing mortgage over the security property and register your new mortgage over the security property where a refinance is taking place;
- to deal with claims and to enforce a loan or a guarantee in place of the credit provider if the title insurer pays out an insurance claim on your loan or the loan you guarantee;
- for a title insurance purpose relating to you;
- to comply with legislative and regulatory requirements; and
- for any other purpose under the contract between the credit provider and the title insurer.

WHAT HAPPENS IF YOU DON'T PROVIDE INFORMATION

If you don't provide your information to us, it may not be possible:

- to provide you with the product or service you want. For example, if information is not disclosed to an insurer, it may not be able to process the credit provider's request for insurance. In that case, the credit provider may not be able to assess this application;
- for the credit provider or a Lender to manage or administer the loan the credit provider makes to you;
- verify your identity or protect against fraud; or
- in the case of the credit provider or Lender, to let you know about other products or services that might be suitable for your financial needs.
