Allstate Orange No Loading Promotion

OO PI Rates to 80% LVR for OO & INV

We have introduced an interest rate that is so easy to remember -

- ✓ We have removed the **Investment loading (0.40%)** on loans to **80% LVR**,
- ✓ We have removed the **Interest Only loading** on Full Doc loans to **95% LVR**,
- ✓ We have removed the **Interest Only loading** on AltDoc loans to **90% LVR**,
- ✓ which brings pricing down on these loans to owner occupied P&I rates.

Check the current rates at: [Residential Rate Watch – Allstate Homeloans](#)

This promotional offer applies to new business only and will run until further notice.

These changes come into effect on Friday 17 November 2023.
