

# OCR Labs Step-by-Step Guide

## How to complete your ID verification check

1.

Follow the link on the welcome text received.

### PLEASE NOTE

The process will be initiated by RedZed and you will receive a text.

Hi John. Regarding your loan application Test, please visit <https://verify.redzed.com/35d4d625b2ad768c89be0b9915d37850> to verify your identity and complete your application. You will need minimum two forms of ID so please have these handy. If you have any questions, please reach out to your broker or contact us on [1300 722 462](tel:1300722462). Please do not reply to this message. Thanks, RedZed

2.

within thirty days. For more information on how OCR Labs protect your data see the [OCR Labs Australian Privacy Policy](#)

If you do not want to consent, then you will need to verify your identity another way.

Please confirm below and continue if you consent for OCR Labs to perform this identity verification check. For more information see the [RedZed's privacy policy](#)

I have read this notice and I provide my consent.

Continue

Read and accept the privacy consent and select continue.

3.

Select your first identity document from the options provided.

**Select your first ID**

You will need to use multiple identity documents to pass VOI.

- Australian Driver Licence
- Passport
- ImmiCard
- Proof of age card

4.

**Select your second ID**

You will need to use multiple identity documents to pass VOI.

- Australian Driver Licence
- Passport
- ImmiCard
- Proof of age card
- Medicare card

Select your second identity document from the options provided.

The amount of documents required is determined by the types of ID chosen, therefore you may be required to select more documents.

5.

Review your chosen identity documents for verification.

If correct, proceed to the next step to take a photo of the selected documents.

**Well Done!**

Continue to the next step where you will take a photo of your selected documents.

- Australian Driver Licence
- Passport

6.

### Capture your Australian Driver Licence

Follow the tutorial to make sure you capture your Australian Driver Licence property

Follow the instructions in the image to capture photos of your chosen identity documents.

### IMPORTANT

For security, this process will time out if there is a delay in uploading your supporting ID. Please recommence the process if this occurs.

7.

Your details are now being verified. This may take around 10 seconds so don't close the window.

**Verifying your details**

Next, please check carefully that your details match your ID documents.

8.

### Are your Australian Driver Licence details correct?

First name JOHN

Middle name

Last name SMITH

Date of birth 16/06/1973

ID number 003954 728

If there are any issues with the photos of your identity documents, you will be required to follow the prompts to check your details are correct.

9.

To confirm your identity to the identity documents chosen, follow the face verification guide to take a selfie video.

**Face Verification**

We need a short selfie video to help us match you to your ID, it's completely private and will only take a few seconds.

10.

### RedZed Loans for the self-employed

**Thank you for completing your ID verification.**

This is now with RedZed to review. You can now close this window.

Your ID verification is complete and RedZed will review your application.
