#### DECLARATION

YES NO

- Does the proposed loan meet the client's requirements and objectives?
- I have made reasonable enquiries and based on the information provided to me by the applicant(s) the recommended product is NOT UNSUITABLE on the basis that it is consistent with the applicant(s) requirements and objectives and the applicant can comply with their financial obligations without substantial hardship.
- For interest only terms
  - The interest only period aligns with the applicant(s) requirements.
  - I have explained the following additional risks and costs of an interest only term to the applicant(s): interest only repayments will not pay off any principal during the interest only term; the repayments required to pay out the loan will increase after the interest only period ends to cover both interest and principal reductions; and the applicant(s) may pay more over the life of their loan than if there was no interest only term.
  - The applicant(s) is not disadvantaged by any conflict of interest in relation to any incentives or commissions that I may have received for writing this loan.
- No conflict of interest exists between the applicant(s) and myself (e.g. the transaction is at arm's length and the applicant(s) is not a friend, partner or family member).

If "No" for any of the above, please specify below:

I declare the above information to be true and correct.
