Inner-City Postcode Properties

The following restrictions & conditions apply to this type of security location:

- Maximum LVR for standard residential properties is 95%.
- Maximum LVR for Commercial properties is 80%.
- Maximum LVR for Specialist Disability Accommodation (SDA) owner occupied properties is 80% of DCF valuation.
- Maximum LVR for Specialist Disability Accommodation (SDA) investment properties is 80% of DCF valuation and capped at 90% of the Alternate Use value.
- Maximum LVR for Specialist Rental Accommodation (SRA) properties (Co-Living, Student and Boarding House) is 65%.

Metro Postcode Properties

The following restrictions & conditions apply to this type of security location:

- Maximum LVR for standard residential properties is 95%.
- Maximum LVR for commercial properties is 80%

- Maximum LVR for Specialist Rental Accommodation (SRA) properties (Co-Living, Student and Boarding House) is 65%.
- Maximum LVR for Specialist Disability Accommodation (SDA) owner occupied properties is 80% of DCF valuation.
- Maximum LVR for Specialist Disability Accommodation (SDA) investment properties is 80% of DCF valuation and capped at 90% of the Alternate Use value.
- SDA and SRA properties must be within 30k radius of the GPO of the following capital cities (Adelaide, Brisbane, Melbourne, Perth, Sydney)
- SDA and SRA properties must be within 15k radius of the GPO of the following cities (Canberra, Darwin, Geelong, Gold Coast (Tweed Heads, Coolangatta, Surfers Paradies, Southport), Liverpool, Newcastle, Maroochydore, Parramatta, Penrith, Wollongong)
- SDA properties for Owner Occupied use is excluded from the above GPO radius restrictions.

Non-Metro Postcode Properties

The following restrictions & conditions apply to this type of security location:

- Maximum LVR for standard residential properties where the property is owner occupied or where the property is investment and is in a town with a population > 10,000 or is within a 15k radius of the GPO in a town with a population > 50,000 is 95% otherwise 90%.
- Maximum LVR for commercial properties is 80%
- Maximum LVR for Specialist Rental Accommodation (SRA) properties (Co-Living, Student and Boarding House) is 65%.
- Maximum LVR for Specialist Disability Accommodation (SDA) owner occupied properties is 80% of DCF valuation.
- Maximum LVR for Specialist Disability Accommodation (SDA) investment properties is 80% of DCF valuation and capped at 90% of the Alternate Use value.
- SDA and SRA properties must be within 30k radius of the GPO of the following capital cities (Adelaide, Brisbane, Melbourne, Perth, Sydney)
- SDA and SRA properties must be within 15k radius of the GPO of the following cities (Canberra, Darwin, Geelong, Gold Coast (Tweed Heads, Coolangatta, Surfers Paradies, Southport), Liverpool, Newcastle, Maroochydore, Parramatta, Penrith, Wollongong)
- SDA properties for Owner Occupied use is excluded from the above GPO radius restrictions.

High Density Postcode Properties

A high-density postcode property is a strata titled apartment which forms part of a development comprising more than 100 apartments in high density postcodes.

A development can comprise more than one (1) tower to reach the 100 apartments.

The following restrictions & conditions apply to this type of security location:

- Maximum exposure is limited to 10% of the development.

- at least 2 of the comparable sales in the valuation report must be from similar apartments outside the actual development and only resales within the complex should form part of the additional comparable sales.
- general commentary from the valuer to be noted for such items as oversupply and two-tier marketing if applicable.
- minimum floor size 30m² excluding balcony & car spaces with at least one bedroom separate from the living areas.

High Risk Postcode Properties

The following restrictions & conditions apply to this type of security location:

- Maximum LVR for standard residential properties is 90%

Regional Postcode Properties

The following restrictions & conditions apply to this type of security location:

- Maximum LVR for standard residential properties where the property is in a town with a population > 10,000 or is within a 15k radius of the GPO in a town with a population > 50,000 is 80% otherwise 65%.
- Maximum LVR for commercial properties is 65%.
- Maximum LVR Where the town size population is greater than 10,000 or the subject property is within 15k radius of a major regional town with a town size population greater than 50,000, the maximum LVR for standard residential properties is 80%.
- SDA and SRA properties are unacceptable securities in any regional locations.

Unclassified Postcode Properties

The following restrictions & conditions apply to this type of security location:

- Maximum LVR for standard residential properties where the property is in a town with a population > 10,000 or is within a 15k radius of the GPO in a town with a population > 50,000 is 80% otherwise 65%.
- Maximum LVR for commercial properties is 65%.
- SDA and SRA properties are unacceptable securities in any unclassified locations.

September 2025 Security Postcode and Max Loan Matrix
